Re: U.S. Patent Application for
TELECOMMUNICATIONS TRANSMISSION TEST SET
Our File No.: 16845-3

Dear Peter:

Enclosed is a revised copy of the above-identified patent application that includes a description on the DMM, TDR, and line impairment test circuits. Please forward the application to the inventors for their review. To assist you with the review, the revised texts are underlined and noted by a bar on the right margin.

After the review, please send us any comments, suggestions or changes deemed necessary or appropriate. We will make the necessary changes to the application and will send a final version to you for review and signature.

Please let us know if you should have any questions or comments.

Very truly yours,

Truong Dinh
